

# SALOMES

## Wall Units

En su afán de mejora e innovación nuestra firma Fenicia Mobiliario, presenta su nuevo catálogo de salones Vanessa. Apostamos por librerías, aparadores y mesas de centro...Damos paso a nuevas terminaciones en chapas nobles como son el roble y el nogal aunque, no olvidemos, que si algo nos caracteriza, son nuestros acabados en laca alto brillo y mate. Creamos estancias con estilo y elegancia, muebles a la carta, opciones para cada cliente ya que pensamos que cada uno es único y diferente. Agradecemos la confianza que depositan en Fenicia Mobiliario, una vez más.

*In its desire for improvement and innovation our firm Fenicia Mobiliario, presents its new Vanessa Salones (wall unit) catalogue. An emphasis on shelving, sideboards and coffee tables ... We give way to new finishes in noble veneers such as oak and walnut although, let's not forget, if anything characterises us, it is our finishes in high gloss and matt lacquers. We create settings with style and elegance, furniture a la carte, options for each client since we think that everyone is unique and different. We appreciate the trust you place in Fenicia Mobiliario, once again.*
